AMENDED IN ASSEMBLY MARCH 27, 2014

CALIFORNIA LEGISLATURE—2013–14 REGULAR SESSION

ASSEMBLY BILL

No. 2623

Introduced by Assembly Member Pan

February 21, 2014

An act to amend Section 13515 of, and to add Section 368.7 to, the Penal Code, relating to elder abuse.

LEGISLATIVE COUNSEL'S DIGEST

AB 2623, as amended, Pan. Elder abuse.

Existing law requires every city police officer or deputy sheriff at a supervisory level and below who is assigned field or investigative duties to complete an elder and dependent adult abuse training course certified by the Commission on Peace Officer Standards and Training within 18 months of assignment to field duties. Existing law specifies certain subjects to be covered by the training.

This bill would ~~require that training to include additional~~ *add to that list of subjects relating to the legal rights and remedies available to victims of elder abuse and the verification and enforcement of protective orders*. The bill would require every law enforcement officer below the rank of supervisor who is assigned to patrol duties and would ~~normally~~ *ordinarily* respond to elder abuse reports or incidents of domestic violence to complete an updated course of instruction on elder abuse every 2 years. The bill would require local law enforcement agencies to provide their peace officers who respond to elder abuse complaints with a card containing specified information relating to elder abuse, including, among other things, a telephone number for the local adult

protective services agency *and the telephone number for the local long-term care ombudsman.*

By imposing additional requirements on local law enforcement agencies, this bill would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to these statutory provisions.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: yes.
